**Additional Information**

**System Settings**

Language	System Default (English (United States))
Privacy Settings	Only instructors can view my profile information
Global Notification Settings	<a href="#">Stream notifications</a> <a href="#">Email notifications</a> <a href="#">Push notifications</a>

To access the Global Notifications Settings click on your name on the dashboard to bring up the profile settings. On the right side locate “Global Notification Settings” and click on any of the links in blue to edit.

# Changing Settings

In the window that pops up, click on the envelope icon to access the email settings. Select the radio button on the option to “Email me right away.” Locate: “New Messages” and check the box. You can check any other options that you would like to be notified about. When finished click on “Save” in the bottom right.
