100% LIVE ONLINE

Get a high-quality GWU Engineering degree wherever you are, delivered by world-class faculty.

ENHANCE YOUR CAREER

Grow a global network through a top-tier engineering program. Boost your professional potential!

PROGRAM OVERVIEW

This interdisciplinary online program is tailored for professionals seeking to advance their careers in engineering and technical management roles. Students will gain a deep understanding of engineering principles and their application in a management context, with the skills to effectively lead engineering teams, oversee complex projects, implement innovative strategies, and drive organizational success.

AFFORDABLE

Tuition is significantly less than on-campus. Plus, any textbook and software you need is included in your tuition.

APPLYING IS EASY

GRE is not required (but can enhance your application) and there are no application fees.
