Courses are offered synchronously and asynchronously. Tests are conducted online. Learn on your schedule.

Tuition is significantly less than on-campus. Plus, any textbook and software you need is included in your tuition.

GRE is not required (but can enhance your application) and there are no application fees.

Grow a global network through a top-tier engineering program. Boost your professional potential!

Nationally-ranked program
#11 BY U.S. NEWS
Each of the 10 courses in the program is three credits, totaling the 30 credit hours required for completion. The program’s online format offers both synchronous and asynchronous options, lets students take multiple courses in a term if they choose, and allows students to start during any session. This format lets students fit their education to their individual needs. Tuition is $1,195 per credit hour for 2023-2024.

SPECIALIZATIONS
- Communications & Network (12 credit hours)
- Electrical Power & Energy (12 credit hours)
